<b>5.1 Product Name</b>	None required as under expected conditions/use the products are non-combustible under the definition of combustibility.
Section 6	Accidental Release Measures
<b>6.1 Personal Precautions</b>	No specific measures necessary, however, avoid contact with eyes.

**6.2 Spill**

Remove excess waste with paper towel and dispose of as non-hazardous waste. Wash areas with water, remove with paper towel and dispose of as non-hazardous waste. Disinfect area with alcohol-based disinfectant.

**Section 7**

**Handling & Storage**

**7.1 Handling**

Avoid contact with eyes, skin & clothing.

**7.2 Storage**

Product should be stored at ambient room temperature not exceeding 25°C and away from direct sunlight or heat.

**Section 8**

**Exposure Controls, Personal Protection**

**8.1 Protective Measures**

Laboratory coat, safety glasses and disposable vinyl or nitrile gloves.

**Section 9**

**Physical & Chemical Properties**

**9.1 Physical State**

Solid plated agar gel.

**9.2 Colour**

Various colours according to the specific product.

**Section 10**

**Stability & Reactivity**

**10.1 Stability**

Stable under normal conditions.

**10.2 Conditions to Avoid**

Direct sunlight and significant fluctuations in temperature can influence the stability of the product.

**Section 11**

**Toxicological Information**

**11.1 Acute Toxicity**

Negligible according to the definition of toxicity. When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects.

**Section 12**

**Ecological Information**

**12.1 Ecotoxicity**

Negligible according to the definition of ecotoxicity. When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects.

**Section 13**

**Disposal Considerations**

**13.1 Disposal**

Uncontaminated plates can be disposed of as non-hazardous waste in accordance with local regulations. Contaminated / used plates must be treated as hazardous waste and should be incinerated or sterilised by autoclaving before final disposal in accordance with local applicable regulations.

# Safety Data Sheet

## Redipor Prepared Plated Media

Issue Date: April 2025

<b>Section 14</b>	<b>Transport Information</b>
<b>14.1 UN Number</b>	Not classified
<b>Section 15</b>	<b>Regulatory Information</b>
<b>15.1 Hazard Phrases</b>	Not applicable
<b>15.2 EC Classification</b>	Not classified
<b>15.3 Safety, Health and Environmental</b>	This safety data sheet complies with the requirements of Regulation (EC) No. 1907/2006
<b>Section 16</b>	<b>Other Information</b>
<b>SDS First Issued</b>	1 <sup>st</sup> July 2019
<b>SDS Revised</b>	9th April 2025
<b>Notes</b>	This data sheet is applicable to all types of Redipor Prepared Plated media supplied in petri dishes and contact plates.
